

Business Impact Award Nomination Memo

Every year the Greater Iberia Chamber of Commerce (GICC) recognizes one or two companies for development (growth/expansion) and/or business diversification. The purpose of the Business Impact Award is to recognize and promote our community's culture of innovation, entrepreneurialism, resiliency, and to celebrate business success in Iberia Parish.

For consideration of this award, some element of the nominated business must be physically located in the Iberia Parish region. Current membership in the Greater Iberia Chamber of Commerce is not required, but preferred. The award will recognize one or more of the following aspects: outstanding business development (growth/expansion), product/service diversification and/or innovation.

Completed applications must be received in the chamber office no later than Friday, February 16th, at 5pm.

Please limit information/narrative provided to three typed pages. You may attach additional information (pictures, videos, etc.) to be considered by the review committee; however, no applications or attachments will be returned.

Projects established within the last three years are eligible for submission. Application review committee may include local, regional, and state economic developers. Businesses may submit an application on their own behalf.
